What did the character hear?

What did the character hear?

Character Name:

Character Name:

What did the character think?

What did the character think?

What did the character feel?

Directions: Fill in the chart as completely as possible using two different characters. This works best when there is greater contrast between the characters. Be thoughtful in your selections.

What did the character feel?

Which character's point of view MOST likely showed an accurate depiction of what happened? Explain your thoughts.

How does the characterization work you've completed change your perspective of what you have read?

Which character do you feel was most affected by the experience? Why do you feel this way?
